- **Give 3 observations/ suggestions to improve the overall teaching-learning experience of respective teachers**

Teachers not answering the mobile calls in the classroom

Need to use LCD projector while teaching

More interact with students

Today's technology and as per syllabus comparatively discuss in teaching time for teachers. In new innovative projects, teachers also involved and only personally study that project and guide as per students knowledge . Our college is updated in last 4 months that is good thing

Clear the concept of students

Provide concept wise notes to student
